

# PROJECT PROFILE

## *Apex Public Safety*

*Apex, North Carolina*

**AMERICAN  
BUILDINGS**

A **NUCOR** COMPANY

**Builder:** B D Roberts Construction, LLC  
**Architect:** Stewart-Cooper-Newell Architects

**Total Square Feet:** 12,000  
**Framing System:** Rigid Frame  
**Roof Panels:** Loc Seam: Color - Pearl Gray

**Features:** The Apex Public Safety Station includes a police office/police substation and an EMS office server room. It features a fire office/fire facilities for ten full-time fire fighters accompanied by a radio report room off the entry lobby. It also features a three bay drive through station which reflects the small town character of Apex. The scale at which the exterior materials (metal roofing, wood siding, masonry, exposed architectural metal brackets) are used provide a traditional look to the PEMB structure.
