

Adams Sports Complex

LOCATION
El Centro, CA

SIZE
22,000 sf

ROOF SYSTEM
Standing Seam

An indoor youth sports facility for the city of El Centro, California, Adams Sports Complex hosts a multitude of different sports as well as local community events. It includes an indoor soccer field, basketball court, and running track.

This clear span, single slope structure stands at 22,000 sf in size, and includes a partial mezzanine. Spandrel beams were used to support the metal stud interior wall with plywood wainscot.
