A.M.B. Lift Inc. is a full service material handling provider in Ottawa. Their new state of the art 16,000 square foot facility provides space for everything from customer lift truck repairs, showcasing the range of lift products available to fulfilling rental requirements and ordering parts for repair projects.

The building consists of a custom designed 20-ton and a 10-ton crane in a second area of the building. The exterior is finished with LongSpan III panels and a Galvalume® Standing Seam 360 roof.
