

Bradley Storage

Self storage complex

LOCATION

Sudbury, Ontario

SIZE

45,750 sf

WALL SYSTEM

Long Span III

ROOF SYSTEM

Standing Seam II

Located in the center of the City of Greater Sudbury, next to its downtown core is Bradley Storage Solutions. This self storage development includes seven single story non-climate controlled storage buildings and one heated building. A grade level ramp grants access to the full mezzanine of the heated structure.

Innovation. Technology. Solutions.
