*Foundation related services*

#### LOCATION

Red Deer, Alberta

#### SIZE

44,800 sf

#### WALL SYSTEM

Architectural III

#### ROOF SYSTEM

Standing Seam 360

A total of three buildings, building one is an office building with a full mezzanine. The exterior is stucco and Alucabond exterior. Adjacent to the office, and separated by a precast firewall, is building two which features 16'x18' overhead doors at each bay with two 10-ton cranes, and a partial mezzanine. Building three is a separate structure complete with 4,000 sf of office space on two floors and a fabrication shop that has two 5-ton cranes.
