Built on the existing foundation of a building that was destroyed by fire, FBN Sales is a 17,750 sf gable rigid frame machine shop with tapered columns, and an expandable endwall for future development.

The adjacent single slope office stands at 3,280 sf in size with a roofline that slants toward the main building. It features a 25'-8" eave height, a 3' overhang, and a full mezzanine. The beautiful self-supporting vestibule encloses stairs that lead to the second story.
