

Illini Hi-Reach

Equipment rental & repair

LOCATION

Crown Point, Indiana

SIZE

28,000 sf

WALL SYSTEM

Long Span III

ROOF SYSTEM

Standing Seam

This is a high lift equipment rental and repair facility. The warehouse is 90' x 250' with an additional open 2,000 sf wash bay. The warehouse also has a crane bay that supports a 20 ton crane used for repairs. Translucent wall panels run along the length of the building, allowing for additional natural lighting and energy conservation. The adjacent hip roof office is 40' x 75' with masonry wainscot and a full mezzanine. There is a 36" overhang on all exterior walls.

Innovation. Technology. Solutions.
