

Inland Kenworth

Semi truck dealership & service

LOCATION

Tolleson, Arizona

SIZE

155,274 sf

WALL SYSTEM

Tilt-wall with LongSpan III

ROOF SYSTEM

LongSpan III

This massive truck dealership is a design/build for Inland Kenworth located on 17 acres near Phoenix, AZ. A total of four buildings that feature tilt-wall exteriors accented with LongSpan III wall panels, include three 10-ton cranes, large canopies, and multiple skylights for natural lighting and energy conservation. Two buildings are for truck maintenance, with the other structures functioning as offices, parts, retail shop, and display buildings. Attached to the main structure is a 6,800 sf drive-through canopy.

Innovation. Technology. Solutions.
