

Porsche of Tacoma

LOCATION

Tacoma, WA

SIZE

15,000 sf

ROOF SYSTEM

Standing Seam 360

BUILDING END-USE

Auto Dealership/Service

The 10,000 sf showroom has a 113' long, curved front sidewall supporting glass and aluminum panels. Each frame has a different length and height to fit the curve, which is supported by the American Buildings steel structure. A 5,000 sf service shop is attached to the main building and is fully finished with tile floors, suspended ceilings, and painted drywall.
