

# Scholfield Buick GMC

Auto dealership & service

#### LOCATION

Wichita, Kansas

#### SIZE

51,883 sf

#### ROOF SYSTEM

Standing Seam

#### BUILDING END-USE

Auto sales & service

A complicated, yet state-of-the-art facility, Scholfield Buick GMC consists of eight separate metal buildings, more than 25 exterior building corners, and multiple roof elevations.

Finished two months ahead of schedule, this gorgeous facility features a composite metal exterior. The interior boasts a warehouse, service area, and a two-story showroom that houses the retail, waiting area and offices.

**Innovation. Technology. Solutions.**
