A premier sports facility, The Sports Stable's 136,730 sf first floor consists of two full ice sheets and one training ice sheet, one full size turf field and training turf, a coaches area, Zamboni storage, snack bar, retail shop, offices, locker rooms and rest rooms.

The 38,845 sf mezzanine level consists of a kitchen/bar/grill area, indoor golf center, community room, conference room, batting cage training area, offices, stadium type seating, and electrical/communications room.

In addition to the main structure there is a 21,434 sf building that houses Impact Sports, which includes elite athletic training and rehab.

Innovation. Technology. Solutions.
