

December 2022

There is an eQuote update scheduled for Wednesday, December 7, 2022, from approximately 10:00 PM to 11:30 PM Eastern Standard Time. The site will be unavailable during this update. Updates are effective on Thursday December 8, 2022.

As you know, pricing can fluctuate. It is extremely important that you understand and communicate the “Order Entry Date” and “Must Ship by Date” with your clients. If a special circumstance presents itself, please contact your District Sales Manager (DSM) or Project Coordinator (PC). Please be sure to update any quote from American Buildings before you close an order where the “Order Entry Date” has expired.

We are continually updating the eQuote site with improvements and enhancements. See some of the recent changes below. For eQuote system requirements, frequently asked questions, or additional resources, please visit the ABC [Builder Dashboard](#).
