

LAUNCH SHAKEOUTPRO™ FROM THE ABC MOBILE TOOLBOX APP

As an Authorized Builder, use the ABC Toolbox app as the fastest way to access ShakeoutPro. If you already have the Toolbox App installed, follow the simple steps below. If you do not have Toolbox on your mobile device refer to the Toolbox Installation Instructions at www.americanbuildings.com/toolbox.

1. Launch the **ABC Mobile Toolbox App** from your Home screen.
2. Tap on the **ShakeoutPro** icon.
3. Choose the **App Store** option to install the **ShakeoutPro** app.
4. Tap on the **Get** button.
5. Enter your **Apple ID password** or **Touch ID** to install.
6. You can now access **ShakeoutPro** from the **ABC Mobile Toolbox**!

You have now installed ShakeoutPro so you can access it anytime using the Mobile Toolbox app.
