

August 6, 2020

American Buildings Company is constantly evaluating our product offering and how that aligns with our builder's needs. Our focus remains on being the low-cost supplier for our Builders.

Below is a summary of the product changes:

- **American Soffit Liner Panel**- This panel will be discontinued as an ABC manufactured product for new orders, but will still be available as a buyout going forward. ABC will manufacture all orders which ship within the next 60 days and help to provide an alternative solution for those outside this delivery window.
- **American Shadow Panel** - This wall panel profile will be discontinued as an ABC product offering and unavailable for all quotes and orders going forward. ABC will honor any existing orders which will deliver over the next 60 days and help to provide alternative solutions for those outside this delivery window.
- **Multi-Rib Liner Panel**- This Liner panel will be discontinued as an ABC manufactured product for new orders, but will still be available as a buyout going forward. ABC will manufacture all orders which ship within the next 60 days and help to provide an alternative solution for those outside this delivery window.
- **Self-Storage Systems** - American Buildings Company will no longer offer or promote self-storage systems as one of our core product markets. Any future self-storage project quote requests should be discussed with your District Sales Manager to determine possible solutions.
- **Architectural Metal Systems (AMS) and ABC Transportation**- These units of American Buildings Company will be closing operations as part of the announced reorganization.

**Critical Dates:** These product changes will be effective immediately in eQuote for all new orders. For questions on existing orders or more information, contact your local Sales Representative or Project Coordinator.
