Dogs All Day is a custom designed metal building offering weekly and daily boarding, training, grooming and retail sales. The building is a combination of stone, cement board and batten in conjunction with the metal siding. The main building is a 80' x 40' x 12' gable symmetrical style project. The kennel is a 50' x 150' x 10'-6" gable symmetrical style building. HardiPlank is installed directly to the ABC Architectural III wall panels.
