2021 Top Metal Builders

Official Entry Form

Deadline: March 19, 2021

The 31th annual listing of the Top Metal Builders will be featured in the May 2021 issue of *Metal Construction News*.

There will be two rankings—one based on square footage and the other based on tonnage of steel.

Builders, make sure your company is recognized!

Eligibility: Only companies that act as building contractors qualify. Manufacturers and distributors do not qualify unless they held the construction contracts.

Projects: Include red iron metal building systems only. For these rankings, a project is considered completed when your construction contract has been fulfilled. Rankings are based on projects for which you were the actual construction contractor.

Categories: Submit your square footage and/or tonnage information. You can be listed in both categories.

Questions: Contact Paul Deffenbaugh at (847) 674-2200, ext.19, or pdeffenbaugh@modertrade.com.

To enter: Complete the online survey at: www.surveymonkey.com/r/2021TMB or send this PDF via email to Paul Deffenbaugh or print and fax to (847) 674-3676.
