2021 Top Metal Builders Deadline: March 19, 2021

The 31th annual listing of the Top Metal Builders will be featured in the May 2021 issue of Metal Construction News.

There will be two rankings—one based on square footage and the other based on tonnage of steel.

Builders, make sure your company is recognized!

Eligibility: Only companies that act as building contractors qualify. Manufacturers and distributors do not qualify unless they held the construction contracts.

Projects: Include red iron metal building systems only. For these rankings, a project is considered completed when your construction contract has been fulfilled. Rankings are based on projects for which you were the actual construction contractor.

Categories: Submit your square footage and/or tonnage information. You can be listed in both categories.

Questions: Contact Paul Deffenbaugh at (847) 674-2200, ext.19, or pdeffenbaugh@moderntrade.com.

To enter: Complete the online survey at: www.surveymonkey.com/r/2021TMB or send this PDF via email to Paul Deffenbaugh or print and fax to (847) 674-3676.
