2022 Top Metal Builders

Official Entry Form

Deadline: March 18, 2022

The 32nd annual listing of the Top Metal Builders will be featured in the May 2022 issue of Metal Construction News.

There will be two rankings—one based on square footage and the other based on tonnage of steel.

Builders, make sure your company is recognized!

Deadline: March 18, 2022

Eligibility: Only companies that act as building contractors qualify. Manufacturers and distributors do not qualify unless they held the construction contracts.

Projects: Include red iron metal building systems only. For these rankings, a project is considered completed when your construction contract has been fulfilled. Rankings are based on projects for which you were the actual construction contractor.

Categories: Submit your square footage and/or tonnage information. You can be listed in both categories.

Questions: Contact Paul Deffenbaugh at (847) 674-2200, ext.19, or pdeffenbaugh@moderntrade.com.
