Let Us Honor Your Construction Excellence: Submit Your Project Photos!

Our highly anticipated Excellence in Design (EID) program, exclusive to Authorized Builders, is designed to recognize quality facilities constructed with American Buildings products. You may gain additional recognition by having your project appear in our printed literature, media, or featured in the Photo Gallery on American Buildings' website.

SUBMITTING YOUR PROJECT IS EASY!

With our online entry form, upload images and complete your entry in one easy step. Multiple views of your building are a plus, so upload as many project photos as you want. If you have questions about the competition's rules and regulations, please contact us at abc.info@americanbuildings.com.

Complete the online project profile and upload images at
<https://www.americanbuildings.com/eid/>
no later than **October 31, 2022**.

AWARDS & RECOGNITION

PLAQUES

All qualifying entries will receive an Excellence in Design plaque featuring your project.

PRESS RELEASES

Press releases will be written for the winning projects for you to send to the publications of your choice. As always, our goal is to provide you with the freest coverage and publicity as possible.

PUBLICITY & MARKETING EFFORTS

We will feature your project in our annual publication of Excellence in Design. Your project may be featured in the Photo Gallery on American's website, at www.americanbuildings.com. You may receive additional recognition by having your project appear in our printed literature and other marketing efforts. Your project may also be entered in trade publications for competitions, articles, case studies, and project highlights.

Be Recognized in American's 2023 Excellence in Design Awards!
