eQuote Training Video Series

At American Buildings, we are continuously evolving our web application, eQuote, to help our Builders easily price more projects. In order for our Builders to gain a firm understanding of eQuote and its many options, we've developed a library of training videos that you can watch at your own pace.

This month we're featuring **Roof Panels**. This episode will detail the options for Panel Type (American Panels and Insulated Metal Panels), Roof Insulation Information, Clip Options, and Roof Panel Warranty.
