Step 1: Submit the "Pre-Approval Request for Co-Op Marketing" form

- The pre-approval request form should be submitted throughout the year with each advertising project prior to the project being completed. American Buildings reserves the right to decline reimbursement for items that have not been pre-approved.
- Follow the instructions on the pre-approval request form and include a summary of the marketing/promotional material as well as the estimated cost.
- Please be sure to include a proof of marketing/promotional material demonstrating that the "Authorized Builder" American Buildings logo is being used correctly.
- Upon receipt of the form, we will review and approve it. You will then receive an emailed approval with an authorization number from American Buildings. Please keep this for your records and reference at the end of the year.

Step 2: Submit the "Annual Request for Co-Op Marketing Reimbursement" form

- The reimbursement request form should be submitted once a year at the end of the year, with copies of all advertising as well as appropriate paid invoices. Your co-op marketing account runs from January 1 through December 31 of each year.
- **NOTE:** The annual request for co-op marketing reimbursement must be submitted by March 31 with the prior year's marketing receipts.
- Simply follow the instructions on the form and include all necessary information. You will receive a reimbursement check or credit to your account if you have an outstanding balance.
- Co-op credit is based on paid American Building invoices. American Buildings reserves the right to adjust co-op shipment dollars if ultimate payment is not received or in doubt.
- Reimbursement checks or credits to your account will be issued once per year. Checks or credits will not be issued on a per project basis throughout the course of the year. American reimburses 50% of paid vendor invoices for each pre-approved marketing expense.
