Distillery & Tasting Room

Hatch Distilling Company, located in Egg Harbor, WI, is a small batch distillery crafting spirits with local Door County organic grains and honey. The distillery is the first of its kind in historic Door County. The modern interior and exterior has been a welcomed change by locals and tourists since the doors opened. Guests can enjoy the tasting room, visit an education area that showcases the utilization of local grains and honey to create distilled spirits, or view the area dedicated to in-house spirit distillery.

For a total of 7,252 square feet, the structure is comprised of three single slope buildings with multi span and clear span framing. The structures are clad with American Buildings Standing Seam 360 roof system and slate gray roof trim. Galvalume R-Panel was supplied as structural support for the masonry finish.
