

January 11, 2023

American Buildings is constantly seeking ways to improve our product offering and remain the low-cost supplier for our Builders. We are pleased to announce a streamlined Weathertightness Warranty Program to include a Standard Weathertightness Warranty, Standard No Dollar Limit and Premium No Dollar Limit Weathertightness Warranty. **To qualify for both No Dollar Limit Weathertightness Warranties**, the Builder is required to have representatives who will be supervising roof installations successfully complete our new NBG [Contractor Installation Certification Program \(CICP\) course](#).

Standard Weathertightness Warranty

- Includes Exterior Material and Finish
- Includes 1-year Workmanship Warranty
- Standard 20-year Weathertightness
- Valid in the contiguous United States and Canada
- No inspection. Installation is the responsibility of the installer. The Seller shall bear no responsibility for incorrectly installed materials.
- Courtesy inspection can be purchased upon Purchaser's Request

Standard No Dollar Limit Weathertightness Warranty

- Includes Exterior Material and Finish
- Includes 1-year Workmanship Warranty
- Standard 20-year Weathertightness
- Valid in the contiguous United States and Canada
- Courtesy inspection included upon request. Installation is the responsibility of the installer. The Seller shall bear no responsibility for incorrectly installed materials.
- Installation must be supervised by a Builder's CICP Certified Installer

Premium No Dollar Limit Weathertightness Warranty

- Includes Exterior Material and Finish
- Includes 1-year Workmanship Warranty
- Premium 20-year Weathertightness
- Valid only in the contiguous United States
- Start-Up, intermediate and final inspections required (see warranty)
- Warranty issued only after inspection and approval by the authorized inspector.
- Installation must be supervised by a Builder's CICP Certified Installer

Please reference our website for more information on our [Weathertightness Warranties or to view Sample Warranty documents](#) or register for an upcoming [Contractor Installation Certification Program \(CICP\) course](#).

Critical Dates: These changes will be available in eQuote on January 12, 2023. For more information, contact your local Sales Representative or Project Coordinator.

Our Commitment

American Buildings is committed to ongoing improvements in all aspects of our business. This change is intended to enhance our product offerings and improve our costs and competitiveness in the marketplace. Your input and comments are always appreciated. If you have specific questions regarding this bulletin or any other area of our business, please contact your District Sales Manager or Project Coordinator.
