

Wilmington Sports Complex 76ers Fieldhouse

LOCATION

Wilmington, DE

SIZE

170,000 sf

ROOF SYSTEM

Standing Seam 360, IMP
Galvalume

BUILDING END-USE

Sports Facility

This massive sports complex is home to the 76ers G League team, the Delaware Blue Coats, Nemours Sports Medicine, and Titus Sports Academy. Six buildings were used to design this 170,000 sf facility that houses three full-size NBA-regulated basketball courts, a 100 x 70 yd indoor turf field, and three state-of-the-art outdoor turf fields.

A 152' x 75' mezzanine is featured in the arena that overlooks both the basketball court and turf field. The bleachers can be removed from the arena to reveal 6,991 square feet of event space. A mezzanine is also featured at the main entry and HVAC well building, making a total of three throughout the facility. There are 28 curb mounted skylights on the roof, and the entire perimeter is surrounded by parapet walls.
