R-Boost™ Tell Us What You Think

A little over 2 years ago, we launched our R-Boost Elevated Roof Insulation System. American Buildings is constantly seeking ways to improve our product offering and we'd like to know your thoughts on the R-Boost Elevated Insulation System.

Whether you've used the product or not, please take a few minutes to [answer](#) some questions.

R-Boost Survey

R-Boost is an economical solution that achieves the increased levels of thermal performance the latest codes demand. This unique patent-pending design features a bridge between an initial and secondary layer of blanket insulation, doubling the insulation capacity and meeting energy codes throughout North America.
