

# Mike Molstead Motors

## LOCATION

Charles City, IA

## SIZE

11,040 sf

## WALL SYSTEM

R-Panel  
Regal White

## ROOF SYSTEM

Loc Seam  
Galvalume

## BUILDING END-USE

Dealership Service Garage

The addition to Mike Molstead Motors in Charles City, Iowa, consisted of an 11,000 sf service garage with extra space for parts storage. Multiple wall-framed openings were incorporated into the design, leaving room for four overhead doors and windows. The dealership service garage features an R-Panel wall system and a Loc Seam roof in galvalume.
