## NBM Brought Connections, Learning & Fun

The recent National Builder Meeting in Orlando was a huge success — thank you to all who were able to join us!

We spent three days together learning from each other through speakers, breakout sessions, tradeshow vendors and numerous individual discussions.

And, there was plenty of fun — golf, live music, and entertainment. Most importantly though, we were able to recognize our Builders for their success over the past few years.

Thanks to the generosity of those in attendance, through the golf tournament and a silent auction, we raised funds in support of the Gary Sinise Foundation and their R.I.S.E. initiative, which builds specially adapted, smart-technology homes for our nation's most severely wounded veterans and first responders.

We are truly grateful to be able to celebrate our amazing partnerships.  
We are Stronger Together.
