American Buildings-Illinois Serves Lunch to Zoellner

At the National Builder Meetings in March, we hosted a Silent Auction to benefit the Gary Sinise Foundation and their R.I.S.E. initiative. Zoellner Construction secured the winning bid for a company meal provided by American Buildings.

Through the golf outing, the silent auction, and a Nucor match, we were able to send \$42,000 to the R.I.S.E. initiative. Through R.I.S.E., the foundation builds specially adapted, smart-technology homes for our nation's most severely wounded veterans and first responders. Each of these homes are built to meet the needs of the hero.

Thank you to all who participated and helped with this donation to the Gary Sinise Foundation.

Huge thanks to Zoellner — we enjoyed serving you lunch!
