BUILDING END-USE

Truck Shop/Office

Milky Haven Farms' 18,000 sf truck shop and office is designed to improve operations with exceptional functionality and modern style. The structure features a gable symmetrical framing system and A-Panel walls in Pearl Gray with bold Midnight Black trim—offering a sleek look with semi-concealed fasteners and an appealing shadow pattern. The Standing Seam 360 roof system in Galvalume delivers superior durability and weathertight protection.

Inside, a 5' deep service pit enhances shop efficiency, while the office area provides modern, functional workspaces. Architectural highlights include timber frame accents on the exterior, partial mezzanines, numerous windows that flood the space with natural light, and multiple overhead doors for easy access. This thoughtfully designed facility reflects Milky Haven Farms' dedication to quality, innovation, and operational excellence.
